Goal:

*** Implement differentiated instructional interventions during class time.

- ☐ Beginning of the year
 - Review Rtl files to familiarize yourself with students that qualify for Rtl in your classroom.
 - Continue interventions recommended by previous teacher(s).
- ☐ Fall Assessments
 - Fall Map Testing: Grades 2-5
 - F&P Testing: Grades 1-5
 - Fluency testing by reading specialist: Grades 2-5
 - Sight word testing by reading specialist: 1st Grade
- ☐ Prior to Fall Data Meetings
 - Use universal assessment data and Benchmark Expectation Chart to determine if any students now qualify that were not previously identified for Rtl.
 - Complete Rtl Referral and Student Profile for students that are new to Rtl.
 - Turn new referrals into building RTI representative.
- ☐ Fall Data Meetings (September)
 - For current RTI students, bring results of universal assessment data (individualized MAP report and F & P assessment form).
 - Review results from recent universal assessments along with classroom performance to determine tier placement (change of tier, remain current tier placement, DNQ, placement in tier).
 - As a team, update current Intervention Plan or write new Intervention Plan for continuing Rtl students.
 - As a team, write an Intervention Plan for each student new to Rtl.
- ☐ Invite parents of all Rtl students to October conferences to discuss student performance, MAP scores, and current interventions.
- ☐ Progress Monitoring (As a team, five week check-ins will be scheduled in November and March)
 - Review Rtl intervention plan for student.
 - As a team, note progress on Intervention Plan.
 - Make changes to plans as necessary.
 - Seek support staff help as needed.
- ☐ Winter Assessments
 - Map Testing: All 5th grade students and students in Grades 2-4 who qualify for Tier 2 or Tier 3 services
 - F&P Testing: All K-2 students; Only Grades 3-5 students who qualify for Tier 2 or Tier 3 reading
 - Fluency testing by reading specialist: Grades 1-5
 - Sight word testing by reading specialist: 1st Grade
